Garden Market & Garage Sale
Do you have garden produce to sell? Are you wanting to have a garage sale and not have to worry about the location and parking? Marriott-Slaterville City is hosting the space so long as you clean-up when you are done.

Every Saturday from 11:00 AM to 2:00 PM starting July 8th until Labor Day Weekend the Marriott-Slaterville Garden Market & Garage Sale will be at the City Hall Park located at 1570 West 400 North. There is plenty of parking, restroom facilities, and a playground for the kids. Bring over your garden produce or garage sale items, meet your friends and neighbors, and have an enjoyable Saturday morning. Remember to clean-up your space when you are done.

For more information contact Cecile Morris at: 801-628-2921, or send her an email: cecilemorris2@aol.com.

Free Medicare Counseling
One-on-one personal counseling is available through Weber Human Services. Counselors will help at no cost with questions on prescription drug coverage, Medicare Advantage Plans, initial enrollment, income subsidies for medications, along with help with medical billing problems and mix-ups that haven’t been resolved.

Also, if you think you have been the victim of any Medicare fraud or abuse, program counselors are available to help. For questions or an appointment call Weber Human Services Department of Aging at: 801-625-3770.

Mosquito Abatement
It seems like everyone loves the long hot days of summer. But there’s one thing guaranteed to ruin the perfect barbeque, camping trip, or baseball game – mosquitoes! Unfortunately, mosquitoes love summer as much as we do. But there are a number of things that you can do to prevent and protect yourself and your family from mosquitoes and West Nile Virus.

The Weber Mosquito Abatement District (Weber MAD) recommends watching for these trouble spots where water can collect: birdbaths and fountains, rain gutters and downspouts, plant saucers, old tires, buckets, over-watered lawns and gardens, pet dishes and horse troughs. If you are outside in the evening or early morning, which are peak mosquito times, take measures to protect yourself from mosquito bites. Wear long pants and long sleeve shirts and apply a mosquito repellent approved by the Environmental Protection Agency. Repellents containing the active ingredients DEET, Picaridin, or oil of lemon eucalyptus have been approved. Read and follow label directions carefully for application and reapply as needed.

The Weber MAD also wants to know the location of beehives to avoid spraying in these sensitive areas and they need your help in locating these hives. There are also other services they offer to the public, just call and ask. And, especially, when experiencing mosquito problems around your home call them at 801-392-1630 or visit their website www.webermosquito.com for help and information – that’s their job.
