Waste Management of Utah (WM) is excited to begin Curbside Recyclables Collection in Marriott-Slaterville. In this Welcome Packet, you will find a calendar that outlines your service weeks for recycling, a list of acceptable items and answers to frequently asked questions.

Thanks for Recycling!

Here are a few things to remember about your service:

- Between December 14-23, 2015, your new recycling cart will be delivered to your home. Service will begin Monday, January 4, 2016. Your Recyclables Collection will be on the same day as your trash collection, picked up every other week. See the “Green Week” on the enclosed calendar. Please have your container placed at the curb by 6:00 a.m. on your Monday collection day.

- The service rate for Recyclables Collection in Marriott-Slaterville is $4.00 a month, payable on your Bona Vista Water bill.

- Just like with your current trash service, WM observes six holidays a year, listed on the enclosed calendar. If your service day falls on or after the day of an observed holiday, you will experience a one-day service delay. If a holiday falls on a Saturday or a Sunday, all routes will run on normal schedule the following week.

Did You Know?

Did you know that putting unacceptable items in your recycling cart can spoil the whole load? Please keep the enclosed list of acceptable items where you can refer to it often. In general, remember these three simple rules:

1. Recycle all plastic bottles, paper (including cardboard) and cans.
2. Make sure items are clean and dry – no liquids or food waste.
3. Do not put plastic bags in your recycling carts – they can shut down the recycling plant!

Make the promise to Recycle Often and Recycle Right. Visit RecycleOftenRecycleRight.com for more details.
Recycle Often. Recycle Right.

Why Recycle?

Recycling preserves natural resources and extends the life of our landfills. By recycling, residents will help to keep overall collection rates down, save energy and conserve resources for future generations.

Recycling Guidelines

Below is a list of acceptable items for your recycling cart. Do not place food, liquids, green waste or plastic bags of any kind in your recycling cart. Make sure items are dry and free from food waste (greasy pizza boxes, etc.).

- Carpet, cloth or textiles
- Used paper towels/tissues
- Construction/industrial debris
- Electronic waste
- Automotive parts
- Medical/hazardous waste

*Unaccepted items are not limited to those above
Frequently Asked Questions

Q: When do I place my recycling cart at the curb?
A: Your recycling cart will be serviced every other week, the same day as your trash. Place your recycling cart at the curb at least five feet from your trash container the night before, or no later than 6 a.m. Different trucks will service your trash and recyclables, so pickup may occur at different times.

Q: How do I know which week I receive service?
A: Inside of this Welcome Packet is a calendar highlighting your service weeks for the year (see Green Weeks).

Q: What will service cost me and how am I billed?
A: Your recyclable collection service will be billed at $4 a month in addition to your current trash service on your Marriott-Slaterville Bona Vista Water bill. The cost of a second recycling cart is $4.00.

Q: What can I put in my recycling cart?
A: Please review the list of acceptable items included in this packet. As a general rule, remember to recycle plastic bottles, paper (including cardboard) and cans. Make sure your items are clean and dry. Do not put food, liquids or plastic bags in your recycling cart.

Q: Can I use my own carts or bins for recycling?
A: Waste Management carts are designed for pick up by our automated collection truck and cannot service customer-owned containers.

Q: Why is Marriott-Slaterville implementing recycling across the entire city?
A: Many residents have requested curbside recyclable collection service. Offering it throughout the entire city makes it more affordable for everyone who wants to utilize the service.

Q: Why should I recycle?
A: Aside from environmental benefits, recycling saves air space in the landfill, which defers taxpayer dollars for building a new facility or transporting trash long distances for disposal. Also, by recycling, you can minimize the need and expense for a second trash cart.

Q: What if I have extra recyclables that won’t fit in my cart?
A: To make more space in your cart, consider flattening your boxes and bottles. If you routinely find that you don’t have enough room, consider adding a second cart by calling the City at 801-627-1919.

Q: What will happen if I use my recycling cart as a trash cart?
A: By putting the wrong materials in your recycling cart, you can ruin the recycling efforts of all of your neighbors. Liquids, food waste and other unaccepted items can contaminate an entire load of recycling and increase processing costs. Please keep the list of acceptable items where you can refer to it often.

Q: I have a second trash cart but don’t need it now that I recycle. Can I return it?
A: Yes. You can get your second trash cart removed by calling the City at 801-627-1919. Once removed, you will no longer be billed for the second container.

If you have additional questions, call Waste Management of Utah at (801) 731-5052, Monday through Friday, 7:00 a.m. - 5:00 p.m.
Recycling in Marriott-Slaterville
