Spring Clean-up

With spring already here, it's time to clean-up the community. For your convenience, dumpsters will be placed at Marriott Park and Slaterville Park between April 25-26. Please put all debris inside the dumpster not on the ground. This is a complimentary service, please be considerate of others using the dumpster. No tires or hazardous material please. For junk cars, call Bill at the City Office, 801-627-1919 ext. 205. Get rid of the junk!

General Burning Regulations

The State of Utah now handles burn permits. Weber Fire District no longer issues burn permits. Burn permits are to be obtained from the Utah Department of Environmental Quality. Here is the link to the website:

<http://www.airquality.utah.gov/Compliance/OpenBurning/index.htm>.

Yard burning requires a valid burn permit issued during the open burn window when the National Weather Service clearing index is 500 or greater. The burning of trash, rubbish, tires, hazardous material, or oil products is not allowed. Certain agriculture burning of ditches and fence lines may be allowed at other times.

The spring burn permit window is March 30 to May 30. The fall burn permit period is September 15 to October 30, if approved by the state forester. You cannot obtain a burn permit from the state until the burn window begins. For questions, call the Utah Division of Air Quality at 801-536-4000 for more information.
