Spring Flooding

Spring flooding is anticipated to continue this year. If you have your sump pump, land drain, or rain gutter connected to the sewer system it will be a misdemeanor with a \$1,000 fine. Please disconnect any of these and connect them to an approved storm drain.

A sandbag staging area is set-up at City Hall Park. Feel free to use the sandbags as needed in an emergency. You will need to fill, load, and place your own sand bags. CERT and Emergency Management crews may be activated to assist depending on the flood severity. Check public storm drains and culverts for blockages and report flood problems to Trent Meyerhoffer at 801-627-1919 ext. 203. Emergency call 9-1-1.
