## Garden Market & Garage Sale

Do you have garden produce to sell? Do you have crafts or other items you want to sell or trade? Are you wanting to have a garage sale and not have to worry about the location and parking? Marriott-Slaterville City is hosting the space.

The Marriott-Slaterville Garden Market & Garage Sale will be August 4, 18, 25 and September 8 and 15 from 11:00 AM to 2:00 PM. Come set-up at City Hall at 1570 West 400 North. There is plenty of parking, restroom facilities, and a playground for the kids. Bring over your garden produce or garage sale items, meet your friends and neighbors, and have an enjoyable Saturday. The space is free! Just clean-up when done. For information contact Cecile Morris at: 801-628-2921, or send her an email: [cecilemorris2@aol.com](mailto:cecilemorris2@aol.com).

## City Council Update

Marriott-Slaterville City has two separate but equal branches of government. The Executive Branch is the administration led by the Mayor. The Legislative Branch is lead by a five (5) member City Council.

The Executive Branch handles daily operations, city administration, proposes the budget, makes appointments, responds to violations and complaints, implements policies, services, manages planning and zoning, among many other responsibilities.

The Legislative Branch is the City Council. The City Council makes laws, adopts the budget, authorizes contracts, confirms appointments, and exercises oversight of the Executive Branch. Two (2) members of the City Council are elected from the East District, and two (2) from the West District. One (1) member of the City Council member is elected At-large. The City holds elections in odd numbered years.

For the Executive Branch call the City Office at 801-627-1919. For the Legislative Branch also may contact the City office or a member of the City Council.

## Yard Waste and Storm Water

As we maintain our lawns and gardens this summer remember that storm water can carry pollutants into our water system. To protect our water from contamination, here are a few helpful tips when working in the yard:

- ▶ Apply fertilizers only when necessary and at the recommended amount.
- ▶ Apply fertilizer as close as possible to the period of maximum uptake and growth for grass and other plants.

- ▶ Avoid fertilizing near waterways or any storm drain.
- ▶ Avoid over-watering lawns and gardens because this can carry away fertilizer from your lawn to the water system.
- ▶ Fill Fertilizer spreaders on a hard surface so that spills can easily be cleaned up.
- ▶ Properly store unused fertilizers and properly dispose of empty containers.
- ▶ Use native plants, shrubs, and trees to reduce the amount of water and fertilizer needed.
- ▶ Recycle yard waste, such as grass clippings or leaves, for mulch or compost. DO NOT dump clippings or yard debris in waterways! Properly dispose of yard waste.

Pollution can cause severe and permanent health problems and must be taken seriously. The storm water systems are designed for storm water only. Keep our water clean and never put any oil, fuel, fertilizer, or anything else besides storm water into drains.

## \$500 REWARD

A \$500 reward is offered by Marriott-Slaterville City for information that leads to the arrest and conviction of individuals who dumped debris at parks, trails, roadsides, or damaged mailboxes. Report any information to the Weber County Sheriff by contacting non-emergency dispatch at 801-629-8221.
