

THE PIONEER POST

Marriott-Slaterville City Newsletter

August 2019

Volume XXI Issue 8

1570 West 400 North – Phone 801-627-1919 – www.marriott-slaterville.org

Farmers' Roundtable

Marriott-Slaterville City will be hosting our first quarterly Farmers' Roundtable as part of our planned agri-commerce program. The City is excited to facilitate opportunities for local growers to partner with local and regional business in an effort to foster our "Farm |2| Market" – "Farm |2| Fork" – "Buy Local" concepts.

Residents who enjoy gardening, farming, or have great ideas to help perpetuate our rural community culture via agri-commerce are invited to attend the one hour Farmers' Roundtable at the City Hall on August 20th at 6:00 PM. We will also introduce Cara Tippetts Warren as our Community Agri-Eco Coordinator and discuss future roundtable meetings.

Garden Market

Bring your garden produce or your crafts to the Marriott-Slaterville Garden Market. Vendor space is free. Come browse the Garden Market for some home grown deals.

2019 Dates – Garden Market	
Saturday, August 3	Saturday, August 24
Saturday, September 7	Saturday, September 14

The Marriott-Slaterville Garden Market is 10:00 AM to 1:00 PM at City Hall located at 1570 West 400 North. There is plenty of parking, restroom facilities, and a playground for the kids. Meet your friends and neighbors, and have an enjoyable Saturday morning. Remember to clean-up your space when you are done. For more information contact Cecile Morris at: 801-628-2921, or send her an email: cecilemorris2@aol.com.

1200 West Reconstruction

This August the reconstruction of 1200 West between 400 North and Bill Bailey Boulevard will start. This will be a full reconstruction from the sub-grade to the surface. It is recommended that you plan now for the inconveniences that this road project will cause. 1200 West will be widened to include a median turning lane to accommodate increased traffic along with curb, gutter, and sidewalk. A landscaped berm will be installed along the east side of the

road to assist in buffering the industrial activities at BDO from the residential uses on the west side of the street. As part of the reconstruction, improvements will be made to driveway approaches, culinary water services, and a new sewer line and secondary water line will be installed. Also, a stop light will be located at the intersection of 400 North and 1200 West to better control traffic.

No private property will be taken for this project, and all road widening will come off the BDO east side of the street. However, a project of this magnitude will create significant traffic disruptions. As such, this project will cause the road to be closed to all vehicles, excepting local traffic. Construction will commence this summer and continue for approximately a year.

Please plan for alternative routes now so that when construction and road closures occur you will be prepared in advance.

PLANNING COMMISSION

TUESDAY, AUGUST 20, 2019 – 7:00 P.M.
