## Easter Egg Hunt

**Saturday, April 11, 2020 – 10:00 AM**

The Annual Marriott-Slaterville City Easter Egg Hunt will be April 11, 2020, at 10 AM at Slaterville Park. This event is primarily for children up to 8 years of age. The Easter Bunny will make a special appearance! Bring your camera and see you there rain or shine! Special thank to our Marriott-Slaterville City and our Youth Council.

## Storm Water

The Utah Department of Environmental Quality is requiring all cities and counties on the Wasatch Front

to adopt additional storm water regulations as part of Phase II of the Clean Water Act. These regulations require the implementation of “Low Impact Development Standards” for all new development. Marriott-Slaterville has adopted the new regulations and updated the current storm water ordinances to conform to the state requirements. Residents and businesses will notice cities placing additional emphasis on storm water containment and oversight. With this unfunded state mandate comes an increased cost for the storm water management program. Therefore, the City raised the residential monthly Storm Water Utility Fee from \$4.00 to \$4.25. Thanks for doing your part to help keep our water clean and free of pollution. Our community is working hard to make life better.
