Mayor’s Message

We’re in challenging times. This month we would normally be gathered at the park celebrating the Fourth of July. This year is anything but normal. I will miss seeing you at the Fourth of July and look forward to renewing our traditional events next year.

As some good news, the City Council adopted a balanced budget for the next year. The City will continue its tradition of no property tax. Our revenues exceed expenditures and we are saving for the future.

Our City staff has been working hard and doing the best they can under the difficult circumstances this year. I recognize many people are suffering and having hardships. The stress is high, mental health is strained. Please continue to stay strong, work together, and do your part to support your community. Follow the recommendations of health officials during this pandemic. I take this seriously, and hope the best for you and your family.

Garden Market

The Marriott-Slaterville Garden Market starts on Saturday, July 11. This year will offer fresh produce and pre-packaged food. Come participate with your garden produce. Vendor space is free. Enjoy local vendors, neighbors, and home grown deals.
