Garbage Cans

Recent windstorms have taken a toll on garbage cans. If you have a garbage can or recycling can that is damaged or broken, please call Marilyn at 801-627-1919 ext. 209. If you need garbage service also contact Marilyn for all your solid waste and recycling services. Thanks for helping keep the community clean and recycling.

Drought Restrictions

Thanks to the residents who came to the irrigation and secondary water workshop in April. There were about 25 people who participated.

As you may know, the Governor has declared drought restrictions for the upcoming water year. Secondary water may be delayed until May 15th in some areas of the City. Once secondary water is available, watering will be restricted to every other day for those on the pressurized irrigation system. Odd numbered addresses will water on odd days, and even number addresses will water only on even days. Please plan now on ways you can conserve water.

For those who flood irrigate, follow the instructions from your ditch company. Water in the irrigation ditches may be limited to 80% of the normal flow.

The Fremont 5 is a coalition by Weber Human Services for the five (5) cities: Farr West, Hooper, Marriott-Slaterville, Plain City, and West Haven. May is National Mental Health Awareness Month. Mental health is essential and mental illnesses are common and treatable. One in five people will experience a

mental illness during their lifetime. The Suicide Prevention Lifeline, 1-800-273-TALK (8255), can be life-saving for yourself or to help someone in a crisis. Here is what you can expect when you call the lifeline:

- You'll hear a message, and you will be placed on hold while they connect you.
- A licensed, trained crisis worker who works at the Lifeline network crisis center here in Utah will answer the phone.
- This person will listen to you, understand how your problem is affecting you, provide support, and share any resources that may be helpful.

The Lifeline provides 24/7, free and confidential support for people in distress, prevention and crisis resources For more resources visit: liveonutah.org
