## Spring Gardening

**Come join us on Wednesday, March 16, at 6:00 PM for Seed & Greet. Learn basic gardening tips and pick up FREE flower and vegetable seed!**

March is the perfect time to start your garden. Marriott-Slaterville was proudly designated in 1999 as Utah's Open Space City. Since that time our community has encouraged gardening, fostered conservation, and promoted sustainable development. Each summer the Marriott-Slaterville Garden Market opens with local vendors who bring their garden surplus to share with the community. So put on your gloves and get out your spade to plant your garden. This month plant your early cold loving vegetables like peas, carrots, radish, and onions.

## Local Updates

- ▶ **Garbage Can Damage.** Windstorms and wear and tear damage garbage and recycling cans. If yours is broken call Marilyn at 801-627-1919 Ext 209. Leave your information so we can get it repaired or replaced for you.
- ▶ **Utility Fees.** Garbage rates will increase on April 1 as a result of higher fuel costs. Storm Water Fees also are increasing with additional federal mandates under the Clean Water Act. Good news, despite the ongoing drought, pressurized secondary water rates will remain the same this year.
