Local Updates

- ▶ **Garbage Can Damage.** Windstorms and wear and tear damage garbage and recycling cans. If yours is broken call Marilyn at 801-627-1919 Ext 209. Leave your information so we can get it repaired or replaced for you.
- ▶ **Easter Event.** Millcreek Animal Hospital is

hosting an Easter Egg Hunt on Saturday, April 9, 2022, at 10 AM, at Slaterville Park. We will have five (5) age groups, special needs all the way up to age 12. World's Greatest Corn Dogs will be there, so come hungry.

- ▶ **Parks.** Marriott Park, Slaterville Park, and City Hall Park will be open for reservation starting on April 15. Please plan now for summer events.
- ▶ **Irrigation.** April usually starts the irrigation season. However, this year the drought may delay irrigation services in some, but not all, areas until after May 1st. Weber Basin Water Conservancy District will publish the 2022 drought restrictions that the City will recommend residents and business follow. These restrictions will include such measures as water limited to certain times and days each week. Additional drought restriction will likely be imposed over the water season. For those using flood irrigation, your ditch company should inform you of the drought restrictions that apply to your water shares.
