Mayor's Message

Disaster averted! Thank you to all the many volunteers who assisted this spring with filling sandbags and helping with flood control.

The City cleaned out storm drains, creeks, and rivers to make sure we didn't slow the flow. Our community declared a flood disaster this spring after the exceptional mountain snowfall and filled around 8,000 sand bags. We were greatly aided by the cool spring that kept the snow melt from overrunning the banks on our many waterways.

Let's enjoy the rest of the season without drought or firework restrictions. Please have a safe and enjoyable summer.
