

THE PIONEER POST

Marriott-Slaterville City Newsletter

May 2024

Volume XXVI Issue 5

1570 West 400 North – Phone 801-627-1919 – www.marriott-slaterville.org

Cabin Dedication

Mayor Van Leeuwen will dedicate the Historical Cabin at the City Hall Park on Saturday, June 8, at 11 AM. Feel free to attend and support our community history.

Spring Flooding

Spring flooding may occur unexpectedly in our community through May and June. The State and National Weather Service provide daily updates to the City regarding run-off. Much of our City is within a flood plain area. If you live near a flood plain, river, creek, or waterway please take precautions for possible flooding. Basements and crawl spaces are most likely to be impacted. Consider obtaining flood insurance. For information on flooding visit: www.ready.gov/floods.

Mosquito Abatement District

Summer will be here soon along with a host of mosquitoes. There are a number of things that you can do to prevent and protect yourself and your family from mosquitoes. Weber Mosquito Abatement District recommends removing trouble spots where water can pool. If you are outside in the evening or early morning or during peak mosquito times, take measures to protect yourself from mosquitos. For mosquito problems around your home or business call Weber MAD at 801-392-1630 or email: mosquito@webermad.org.

Annual Budget

In May the City will present its tentative budget. On June 20, at 6:30 PM, the City Council will hold a Public Hearing on the Final Budget. The City is proposing another balanced budget without any municipal property tax.

Local Updates

- ▶ **Burn Permits.** The Open Burn window ends May 30. The Utah DEQ issues burn permits. Visit: air.utah.gov/OpenBurning/form/.

- ▶ **Health City Award.** Marriott-Slaterville City received the Healthy Utah City Award for the second time. Thanks to our agriculture programs, trails, and commitment to living healthy. Let us continue to create a healthy community.
- ▶ **Central Weber Sewer.** Central Weber Sewer increased rates. Contact the Sewer District for more information on rate increases.
- ▶ **Roads.** The City is currently repairing pot holes in the roads that occurred during the winter. If one is missed, contact the City at 801-627-1919.
- ▶ **Secondary Water.** Secondary water is now on at all locations. No drought restrictions are anticipated this year.
