Fire Safety

Weber Fire District asks residents to check their smoke detectors and Co2 detectors before winter. It is time to change batteries, clean dust out of the devices, and replace devices over ten (10) years old.

Winter Roads

Winter will soon be coming to our City! It is time to remember some rules for the road. Remember, there is no parking on any roads between midnight and 7:00 AM between December 1 and March 1, during a snowstorm, and seventy-two (72) hours after a snowstorm. This is so the snow plows can operate. Violators will be towed. The most traveled roads are plowed first. Subdivisions and lesser traveled roads are plowed last. Property owners with sidewalks are responsible to remove snow from the sidewalk within twenty-four (24) hours after a snowstorm.
